

Plasterer Equipment Company About Us

Our Philosophy

Plasterer Equipment Co., Inc. is an authorized John Deere Construction and Forestry dealer in south central and south eastern, PA. We have a safe, enjoyable work environment with competitive benefits and long term employees. All of our branches have the latest in computer automation and systems to facilitate communication and enable our employees to provide urgent solutions for our customers. Our culture is based on family values while staying true to a performance based evaluation system that provides annual and semi-annual feedback. Career related training is supported and encouraged and facilitated by John Deere University and industry trade associations and seminars. Employment Policies are clear and defined and every level of employment has a formal job description. Our management philosophy is open door – concerns or issues can be addressed at any level. Our approach is as a team. Our sales, parts, service, and rental department work as one to earn our customers business and communication is facilitated across all departments. Our motto is "When you purchase a machine, we deliver our company". Stop by a branch and allow us the opportunity to earn your business.
