## Who is Plasterer Equipment Co. Inc.?

Plasterer Equipment Company is a fourth generation family-owned John Deere Construction Dealer serving Southeastern and South Central PA

## What is our philosophy?

*"When you purchase a machine, we deliver our company"* is more than just a slogan for us. Established in 1912, we have grown from one small shop into four full line dealerships. Our philosophy has always been to support our customers, grow profitably and provide a safe and enjoyable environment for our employees. We are always looking for people who want to join a team that makes a difference and offers room for growth both financially and professionally. If you would like to be part of an organization such as Plasterer Equipment, we invite you to tour our facilities to discuss career opportunities at Plasterer Equipment.

John Deere is one of the most trusted and innovative brand names in the industry
