ACCOUNT USE. By applying for or accepting a PowerPlan Commercial or Governmental Account, you agree to use your Account primarily to make purchases for commercial or governmental use, and not for personal, family or household use. You agree to pay JDF all amounts charged by the Account, plus Finance Charges, and the other charges described below. JDF will allow a purchase of authorized goods or services from a participating merchant to be made through your account as long as (1) you are not in default; (2) your financial condition has not materially or adversely changed; and (3) we have not been provided information by third parties that indicates serious charge-offs or delinquencies with other of your accounts.

You agree that JDF is not responsible for the refusal of anyone to allow a purchase to be made through your PowerPlan Account.

CREDIT LIMIT. JDF will establish and advise you of your regular credit limit when JDF opens your Account and on each monthly statement. JDF may establish separate credit limits with special conditions which will be disclosed to you on your monthly statement. Your use of any such special credit limit shall constitute your agreement to those disclosed special conditions.

You agree that JDF may increase or decrease your credit limit(s) at any time, in JDF’s sole discretion, without prior notice to you. You agree to promptly prepare and provide to JDF any financial and Account information that JDF may, in its sole discretion, request from you.

MONTHLY STATEMENT. JDF will send you a monthly statement whenever there is activity on your Account, unless the only activity is a payment in full. Your monthly statement will show your New Balance, any Finance Charge, any Late Fees, the Minimum Required Payment and the Payment Due Date. In addition, it will show your Credit Limit(s), an itemized list of current Purchases, Payments, and Credits, as well as other information concerning your Account.

JDF will send your monthly statements on dates and in intervals determined by JDF. Such statement shall be deemed correct and accepted by you unless JDF is notified to the contrary in writing within 60 days of the date of that statement. If you think your monthly statement is incorrect, write to JDF on a separate sheet and attach it to the back of your billing statement. Describe the error as best you can and include your Account number in all correspondence.

PAYMENT. The Payment Due Date is the date the payment must be received. Your monthly statement may show the address on which your monthly statement was sent to PowerPlan, at the address designated on your monthly statement whenever there is activity on your Account, unless the only activity is a payment in full. Your monthly statement may include your Account number in all correspondence.

FINANCE CHARGE RATES. Finance Charges on your PowerPlan Account may be calculated using variable rates that will be determined by reference to a “Base Rate” which is added a “Spread” to arrive at the current rate. The same Spread will be used for purchase(s) within your Account.

The Base Rate from which your variable rates will be determined is the annual percentage rate of interest announced publicly from time to time by Citibank, N.A. in New York, New York as the base rate it uses for interest rate determinations, which was in effect at the close of business on the fifteenth (15th) calendar day of each month, or the next succeeding business day if the fifteenth is not a business day (“Reference Day”).

The Spread added to the Base Rate to determine the ANNUAL PERCENTAGE RATE (APR) that will apply to your Account will be:

<table>
<thead>
<tr>
<th>Rate</th>
<th>Spread</th>
</tr>
</thead>
<tbody>
<tr>
<td>14.5%</td>
<td></td>
</tr>
</tbody>
</table>

Rate increases and decreases, that result from changes in the Base Rate will take effect on the first day of the month, or the next succeeding business day if the first day is not a business day, after the Reference Day on which the Base Rate changes.

Changes in your variable rates will apply to your existing balances as well as to future purchases. An increase in your rate will increase the total Finance Charge accruing on your Account and the balance on which your Minimum Required Payment is calculated.

Current effective rates are shown below:

<table>
<thead>
<tr>
<th>Rate</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>.049726%</td>
<td>18.40%</td>
</tr>
</tbody>
</table>

The above rates are correct as of the date of printing, February 1, 2016, but are subject to change after that date.

FINANCE CHARGE CALCULATION. Finance Charges will accrue on your Account Balances as follows:

JDF will assess a FINANCE CHARGE, calculated as shown below, if your New Balance is not paid in full or before the Payment Due Date. To avoid additional Finance Charges on purchases, you must pay the New Balance, in full on or before the Payment Due Date.

The amount of your Finance Charges will be determined as follows:

JDF uses the daily periodic rates and corresponding APR shown in this Agreement. The applicable periodic rate is applied to the “Average Daily Balance” of your purchases, including current transactions, during the current billing cycle.

To get the “Average Daily Balance”, JDF takes the beginning balance of your purchases each day, starting with any Previous Balance outstanding on the first day of the monthly billing cycle, add new purchases and debits and subtract payments or credits. This determines the daily balance. Unless JDF elects to use a later date, purchases are added to the daily balance as of the date of purchase.

JDF totals the daily balances for the billing cycle and divides the total by the number of days in the billing cycle. This gives JDF the “Average Daily Balance” which is shown on your monthly statement. Finance Charges may accrue on Special Promotions Transactions at a different rate, as explained in the Special Promotions section of this Agreement.

DEFAULT FINANCE CHARGE RATE. If you are in default, you may no longer qualify for any reduced interest rate Special Promotions and you agree that, at JDF’s option, the APR applicable to any outstanding reduced interest rate Special Promotion(s), may be increased to the APR described in this agreement.

A MINIMUM FINANCE CHARGE of One Dollar will be made when the result of the application of the periodic rate(s) to the “Average Daily Balance” is less than One Dollar.

MINIMUM REQUIRED PAYMENT. Except as provided below, you agree to pay each month a combined Minimum Required Payment equal to:

1. Any late payment fee due; plus
2. Any additional fees due; plus
3. Any amount past due; plus
4. For Purchases:
   a. Either the greater of: $50, or 20% of your New Balance (less any Conversion Balance balances on which no Finance Charge is due); or

   c. Your entire New Balance (less any Conversion Balance and Special Promotions Transaction(s) balances on which no payment is due), if it is less than $50.
